Please call Chris Muegge (317-460-6618) or Mark Hilton (765-714-1092) for bull availability. See EPD page for prices on bulls.

Delivery is available for a reasonable fee.

54J - Sleep all night calving ease bull for heifers with top 1% marbling. Replacement females should be excellent. Just saw a large group of MBCC Reward 4F yearling heifers in Iowa and they are perfect! Super calm, moderate frame, easy fleshing and thick!

48J - Want instant hybrid vigor in your calves? This 3-way composite will get the job done. Check out his star ratings. Dam is from a long line of excellent females.

50J - Another 3-way composite with plenty of growth and 5 stars for female production. Granddam is a 15 year-old cow that never misses.
